

Witness

Fen

Coruscate
Uncoil and reach
Enshroud
Rend and then unmake

I witness eternally
Unknowable depths of firmament

Coruscate
Uncoil and reach
Enshroud
Rend and then unmake

I witness eternally
Enveloping waves of negation

The fathoms of our reality lie steeped in bitter, blackened bed
rock
Stained with the grim poison of ignorance
Shrieking clouds scud across a collapsing sky
All that we prayed for splayed against futility's flensed carcass
