

Nothing good can ever seem to last
but it's goodness that delivers us
our past nothing good can ever come of this
I'm sure but sometimes you are granted just one wish
and every now and then there'll come a time
when you are lost in your own mind
and then you'll understand just why we were put here
on this earth and why nothing good can last
nothing good can ever seem to stay
but it's great to see those great things fade away
nothing good will ever come of this
I'm sure but in the end we are all still innocent
