

# Bud

Fenne Lily

Holding it close, this time  
Tell me of her, I'm fine  
You'll never know what you do to me

All that we have won't grow  
Falling is hard, I know  
You make it so easy, believe me

And it's on my mind and I'd like to talk things through  
and you're on my mind though I know I'll never do

Holding my tongue, it's real  
Tell me the truth, I'll heal  
Taking it slow before you go

And it's on my mind and I'd like to talk things through  
And you're on my mind though I know I'll never do (on my mind)  
And it's on my mind and I'd like to talk things through  
And you're on my mind though I know I'll never do for you

You're all that I want and more  
I'd say but I know your sort  
I wish I could be someone you need  
You need

And it's on my mind and I'd like to talk things through  
And you're on my mind though I know I'll never do (on my mind)  
And it's on my mind and I'd like to talk things through  
And you're on my mind though I know I'll never do for you  
Do for you
