

Solipsism

Fenne Lily

All these people walk so slow
Do they know something I don't?
Focus on a foreign feeling
Unashamed and unappealing

Run on empty at one and twenty

Checking up to check I'm breathing
Sign in blood to keep it beating
What is it you want to shake?
Solipsism keeps me wide awake

I'm empty at one and twenty

All these people walk so slow
Do they know something I don't?
Focus on a foreign feeling
Unashamed and unappealing

Run on empty at one and twenty
