

All That I Got (The Make Up Song)

Fergie

Baby, baby when you're looking deep in my eyes
I know you're seeing past my make-up
Into the little girl that used to hide out and cry
When her parents fought
Tryin' to be strong

You can see the hurt in me
The cover ups so secretly
And all that I aspire to be
You see, you see
You know who I really am
No entourage or caravan
And do u even give me a damn
About all that, tell me

Would you love me if I didn't work out or I didn't change my natural hair
I could be the one you want to grow older with, baby
I'll give you all that I got

See, I don't mean to scare you now and push you away
Cause I'm not tryin' to rush anything
But when i look into your eyes I'm not scared you'll say,
I see little you, I'm in the picture too

Like a happy family tree
We're together constantly
This could be eventually
We'll see, we'll see
But all that I have got to know
Is with me baby will you grow
Through sun and rain and heavy snow
Oh tell me so now baby

Would you love me if I didn't work out or I didn't change my natural hair
I could be the one you want to grow older with, baby
I'll give you all that I got

Would you love me if I didn't work out or I didn't change my natural hair
I could be the one you want to grow older with, baby
I'll give you all that I got

It's as simple as one and two
I'm in love with you
And three and four
You're all I adore
To the seven and eight
See I've been making mistakes
Cause when you're on my mind
I just cant think straight
Back to the five and six
I'm all in the mix and I'm all into you
Without the lipstick
Without the L'Oreal
You remain the same angel that I fell for
For real, for real

Would you love me if I didn't work out or I didn't change my natural hair

I could be the one you want to grow older with, baby
I'll give you all that I got

Would you love me if I didn't work out or I didn't change my natural hair
I could be the one you want to grow older with, baby
I'll give you all that I got
