2. I remember the beginning you already knew
I acted like a fool
Just trying to be cool
Fronting like it didn't matter
I just ran away
And on another phase
Was lost in my own space
Found what its like to hurt selfishly
Scared to give of me
Afraid to just believe

I was in a jealous, insecure, pathetic place
Stumbled through the mess that I have made
Finally got out of my own way
I've Finally started living for today
I finally know that I needed to grow
And finally my mate has met my soul
