

Pick It Up

Fergie

The sun didn't come up today
This lonely won't go away
It somehow feels nothing's real
Like a stranger wears my face

I pick up and call
I pick up and call
'Cause I need to go
I pick up and call, yeah

I feel you missin' me
Is there something that you need?
'Cause we got more, babe
Then you know and this water's runnin' deep

You pick up and call
You pick up and call
'Cause you need to talk
You pick up and call, yeah, yeah

I pick up and call
She picks up and calls
We pick up and call
'Cause we need to go
Yeah, yeah, yeah, yeah

Call me on my phone girl
Anytime you want girl
Seven in the mornin'
Pick it up you know I will

Baby, ain't no wrong time
For you to call up my line
You stay on my mind, girl
You stay on my mind, lady

Nothing really matters when we sit and chatter
Your voice is just like magic
Baby, abracadabra, you put a spell on me
Yeah, girl, you done that voodoo
So you won't you dial up my digits
So I can talk to you

And I pick it up, I pick it up
Pick it up, I pick it up
Pick it up, I pick it up
Pick it up, I pick it up

Pick it up, I pick it up
Pick it up, I pick it up
Pick it up, I pick it up
Pick it up, I pick it up

Pick it up, I pick it up
Pick it up, I pick it up
Pick it up, I pick it up
Pick it up, I pick it up

Pick it up, I pick it up
Pick it up, I pick it up
Pick it up, I pick it up

It's crazy
How it's so hard for me to just, call you
It's like I have these feelings
But someone just keeps, holding me back

I don't know what it is
It's like my insecurities, my fears
I just gotta know
That your gonna be there

I feel you missin' me
I know you missing me
'Cause I've been missin' you
Baby it's true, it's true, it's true

I know your wantin' me
Just call and talk to me
To know your needin' me
Like I need you, I need you, I need you
