I Saw God

Ferlin Husky

I saw God on the mountain he was grand beyond compare How do I know I saw him because the mountain was there I saw God by the seashore saw his presence everywhere How do I know I saw him because the sea was there

(I saw God in the garden saw his tender loving care
How do I know I saw him) a rose was blooming there
But I see God most clearly each night when I climb the stairs
How do I know I see him my love lies sleeping there
