

## Irma

Ferlin Husky

There are songs about girls with red and blond and brunette curls

There's Molly, Margie, Maggie, and Coreen  
Clementine and Mary Lou, Caroline, Sue, City Sue  
And no doubt you've heard the song about Irene

But Irma is the name of my baby  
Irma is the only girl for me  
I can't wait to hear her say  
She'll be mine 'til judgement day  
Oh, Irma is the only girl for me

She is built like Lorelei and that expression in her eyes  
Makes you want to sit and chat awhile  
She don't need Maybelline to compete with Josephine  
She also has that Mona Lisa smile

Irma is the name of my baby  
Irma is the only girl for me  
I can't wait to hear her say  
She'll be mine 'til judgement day  
Oh, Irma is the only girl for me

She's sweeter than sweet Marie or beautiful Annabelle Lee  
She's like the gal who married dear old dad  
We go any place in town we never have to slip around  
Oh, she's the nicest gal I've ever had

Irma is the name of my baby  
Irma is the only girl for me  
I can't wait to hear her say  
She'll be mine 'til judgement day  
Oh, Irma is the only girl for me
