

Misty Blue

Ferlin Husky

Oh it's been such a long long time looks like I could get you o
ff my mind
But I can't for just the thought of you turns my world a misty
blue
Just the mention of your name turns the flicker to a flame
I think of things that we used to do then my whole world turns
misty blue
I should forget you heaven knows I've tried
But when I said I'm glad we're through my heart knows that I've
lied
Oh it's been such a long long time looks like I could get you o
ff my mind
But I can't for just the thought of you turns my world a misty
blue
Yes just the thought of you turns my world a misty blue
