

## Rainbow Stew

Ferlin Husky

There's a big brown cloud in the city  
And the countryside's a sin  
And the price of life is too high to give up  
Got to come down again  
When the world wide war is over and done  
And the dream of peace comes true  
We'll all be drinking that free bubble up  
And eating that rainbow stew

When they find out how to burn water  
And the gasoline car is gone  
When an airplane flies without any fuel  
And sunlight heats our home  
One of these days when the air clears up  
And the sun come shining through  
We'll all be drinking that free bubble up  
And eating that rainbow stew

Eating rainbow stew with a silver spoon  
Underneath that sky of blue  
We'll all be drinking that free bubble up  
And eating that rainbow stew

You don't have to get high to be happy  
Just think about what's in store  
When people start doing what they oughta to be doing  
They won't be booing no more  
When a president goes through the white house doors  
And does what he says he'll do  
We'll all be drinking that free bubble up  
And eating that rainbow stew

Eating rainbow stew with a silver spoon  
Underneath that sky of blue  
We'll all be drinking that free bubble up  
And eating that rainbow stew

Eating rainbow stew with a silver spoon  
Underneath that sky of blue  
We'll all be drinking that free bubble up  
And eating that rainbow stew
