

## Say When

Ferlin Husky

If you had enough of my arms  
Say when  
If you had your thrill of my charms  
Say when  
You don't have to be afraid  
to say our love is true  
I think by now I know  
For my heart has told me so

If you had enough of my dreams  
Say when  
You have shattered all of my dreams  
And then  
Maybe someday you'll be sorry  
And want my love again  
So if you want to come back  
Say when

(Bridge)

If you had enough of my dreams  
Say when  
You have shattered all of my dreams  
And then  
Maybe someday you'll be sorry  
And want my love again  
So if you want to come back  
Say when
