## **Ferry Corsten**

This is the countdown This is the song We're counting down from 10 to 1 We'll fly a rocket to kingdom come We're gonna fly it pass the sun A million miles We'd go that far To add our name on silver stars We'll leave the ground So far behind Now they're the same after tonight This is the countdown This is the song We're counting down from 10 to 1 In to hyper love Hyper love In to hyper love Hyper love In to hyper love Hyper love Hyper love You and me in hyper love
