

# Possession

Ferry Corsten

Cold wind blows  
Stealing all innocence  
The fall revealed  
All it took from me

All is said there's nothing more  
To prove to spare a second thought  
An image of a dream  
I will replace and hide

Inside I'm a storm  
I will break to hold on  
I love with the thought of possession

I'm eager to please  
So much I deceive  
I love with the thought of possession

Possession

Possession

All feels wrong  
When you're away from me  
The thought that nothing  
Is what it seems

No escape I cannot fight  
To be to blame I'm left behind  
An image of a dream  
I will forget I hide

Inside I'm a storm  
I will break to hold on  
I love with the thought  
Of possession

I'm eager to please  
So much I deceive  
I love with the thought  
Of possession

I know I can let go  
I know I won't let go

Of possession

Inside I'm a storm  
I will break to hold on  
I love with the thought  
Of possession

I'm eager to please  
So much I deceive  
I love with the thought  
Of possession
