

# About You

Fetty Wap

Yeah, aye, yeeeahh  
Aye, yeahh, aye

I've been really thinkin 'bout you, baby  
Where you do your thing  
I got a feelin' I won't doubt you, babe  
Get a wedding ring, I keep you close stay around you, babe  
For you I'ma fiend, I swear I see you in the dreams  
See me in between  
I've been really thinkin 'bout you, baby  
Where you do your thing  
I got a feelin' I won't doubt you babe  
Get a wedding ring, I keep you close stay around you, babe  
For you I'ma fiend, I swear I see you in the dreams  
I swear I see me in between

I break it down let's make it ring now, I make her scream  
Off a perc, I'ma machine now, go straight to sleep  
And I'll always stay around you, hope you stay around too  
I'm the one that you call babe, to get whatever you need  
And I love how we bought so, I steal whatever on trees  
Said you love havin' sex when you be smoking on weed  
And I love how you flex when you high now, baby  
Make it feel like a jet when you glide down, baby  
I'ma always protect ya, you mine now, baby  
Baby, you get whatever, you mine now, baby  
Rockin with you forever, you mine now, baby  
I'll be the one that you wake up to  
And the one that you love, yeahh

I've been really thinkin 'bout you, baby  
Where you do your thing  
I got a feelin' I won't doubt you, babe  
Get a wedding ring, I keep you close stay around you, babe  
For you I'ma fiend, I swear I see you in the dreams  
See me in between  
I've been really thinkin 'bout you, baby  
Where you do your thing  
I got a feelin' I won't doubt you babe  
Get a wedding ring, I keep you close stay around you, babe  
For you I'ma fiend, I swear I see you in the dreams  
I swear I see me in between

Thinkin' bout, thinkin' bout you babe  
Every lil thing that you say  
Every lil thing that you do, girl I just wanna spend time with you  
Don't want no war, that's not on my mind  
I'm telling you I just wanna provide, get high, and hit from the side  
Don't wanna play anymore girl I just wanna be yours  
The only one I adore, I'll buy you, Louie, Gallard  
So every time you think about me baby  
Just know I'm thinking about you too, you know you drive me crazy

I've been really thinkin 'bout you, baby  
Where you do your thing  
I got a feelin' I won't doubt you, babe  
Get a wedding ring, I keep you close stay around you, babe

For you I'ma fiend, I swear I see you in the dreams  
See me in between  
I've been really thinkin 'bout you, baby  
Where you do your thing  
I got a feelin' I won't doubt you babe  
Get a wedding ring, I keep you close stay around you, babe  
For you I'ma fiend, I swear I see you in the dreams  
I swear I see me in between
