You don't know what you do to me mama

You're my little honey bee, my money on my money tree
I can't help but look at when you walkin' right in front of me
I can tell she want it, I could see that she's obsessed with me
She was in my DMs, oh Lord, now she's textin' me
She don't want nobody else, she know that they a waste man
You can try to holla but she gon' stay away fam
She tell me that she loves me everyday man
Heart of gold plus that money keep on rainin'
Me, I've been runnin' on her mind but
You, you don't even wanna try to compete
And we ain't on the same level, so please
So please

I want your body, all up on me
Want that OD, so come over to me
Yeah yeah, aye aye, look
Mona Lisa, bring it back, yeah yeah yeah yeah

Mere samne aaja
Everyday, everyday

Ooh girl you're fine as hell, ooh girl you make 'em stare
Abra Cadabra then oosh, watch how I appear
Mm, for the shot, it goes swoosh, then it's up from there
Mm, in a drop, it's a coupe, girl let's disappear
I don't care what they're on, I want you everyday
Girl, let's change up the scene, let's have a date at the bank
I'll be there when you call cuz I ain't showin' up late
You said you need me at nine, I might just pull up at eight
I'm whatcha on, what's the vibe, they let us in by the face
And I could tell by your eyes that I ain't make a mistake
You must have thought that I lied, girl I want you everyday
I send a jet out to get you and bring you back to the states, yeah baby
