Yeah, when we come around, brazy with the whips
Yeah, aye, keep one in the head, brazy with the clips
Yeah, I got homies bangin' blood, brothers bangin' crip

Yeah, aye, apartment to a house, now I got six
Aye, departments and accounts, I am not rich
Yeah, aye, chains aren't ever bought just deposit
Yeah bitch, I got your account in my closet
Yeah bitch, I spent your advance on a 'Rarri
Yeah bitch, I get 60k to host a party
Yeah, I got three credit cards in my wallet
Yeah, for my cash, for my momma and for ballin'

Lil' bitches wanna fall in love but, I ain't cupid
Fuckers wanna set me up, wet me up but, I ain't stupid
No, I ain't stupid, pushed a button, now we ruthless
Smacked you with the handle of the 40, now you toothless
And it's a throwaway, I shoot you then the shoot's lit
Couple niggas only famous and they all ruthless
Fuzzy Fuzz get the MAC with the muzz
I cock back and blast it at thugs and ratchet
You askin' for sluts, fuck that
