

## Feeling

Fetty Wap

I fell in love with the cash, I fell out of my feelings  
And I go and get the bags, stack it up for my children  
Make a lot of people mad but that paper keep coming  
Bitch we runnin', Zoovie Zoo, I'm 'bout to turn up the summer  
I fell in love with the cash, I fell out of my feelings  
I go and get the bags, stack it up for my children  
Make a lot of people mad but that paper keep coming  
Bitch we runnin', Zoovie Zoo, I'm 'bout to turn up the summer

Shawty get it up, I can get it on, just hit my line  
Baby I'm a boss, get what you want, don't waste no time  
Love the way you shake, just like the number, you be four nine  
Show you why you fake, man sure you is a lame, damn  
Is you tryna skate? I got the Rover parked outside  
We can drive estates, just spread your wings, I can make you fly  
Is you understand, I swear I want you to be mine baby  
Swimming in your lake, I'ma take my time baby  
Show you why you great, I don't gotta press rewind baby  
Just like a star, I love the way you shine baby  
Is you understand, I swear I want you to be mine baby  
Show you why you great, I don't gotta press rewind baby

I fell in love with the cash, I fell out of my feelings  
Ayy I go and get the bags, stack it up for my children  
Make a lot of people mad but that paper keep coming  
Bitch we runnin', Zoovie Zoo, I'm 'bout to turn up the summer  
I fell in love with the cash, I fell out of my feelings  
Ayy I go and get the bags, stack it up for my children  
Make a lot of people mad but that paper keep coming  
Bitch we runnin', Zoovie Zoo, I'm 'bout to turn up the summer
