Spend all my time with you, just hold on (ay yeah)  
Always assume I treat you so wrong (ay yeah)  
You're the only one I need and I want (yeah baby)  
You're the only one for me, that's my word (yeah)  
Spend all my time with you, just hold on (yeah, yeah)  
Always assume I treat you so wrong (yeah, yeah)
