

# Into Her

Fetty Wap

Really she is a drug, just a dose what I love  
Got me falling, baby  
Got me all in, baby  
We be ballin, baby

I swear I'm feeling like I really think I'm into her, yeah  
Really think she into me, yeah  
We be fucking like we enemies, yeah  
Don't know what she did to me, yeahh  
Really think I'm into her, yeah  
Really think she into me, yeahh  
We be fucking like we enemies, yeah  
Don't know what she did to me, yeahh

She like drinkin Henesey (she like drinkin Henesey)  
Told you I would never leave (told you I would never leave)  
She can't believe it's really me (she can't believe it's really me)  
Wake up put your ass to sleep (wake up put your ass to sleep)  
Diamonds come from Tiffany (diamonds come from Tiffany)  
Late night she be missin me (late night she be missin me)  
Don't know what she did to me (I don't know what she did to me)  
But she need to get with me (but she need to get with me)  
Molly, percs, and ecstasy (molly, percs, and ecstasy)  
Stack it up by any means (stack it up by any means)  
Real niggas next to me (it's real niggas next to me)  
Only YSL my jeans (it's only YSL my jeans)

I really think I'm into her, yeah  
Really think she into me, yeah  
We be fucking like we enemies, yeah  
Don't know what she did to me, yeahh  
Really think I'm into her, yeah  
Really think she into me, yeahh  
We be fucking like we enemies, yeah  
Don't know what she did to me, yeahh

Really I just call her bae  
Always asking bout her day  
Something by the way she smiles, yeah  
We don't ever kiss and tell, yeah  
Really think I'm falling hard  
Keepin up them shoulder rubs  
Really we just call it lust, yeahh  
Maybe we falling in love, yeah  
Really got me going hard for you, yeahhh  
Really lettin down my guard for you, yeahhh  
Homie sayin' you the one  
I just tell em we just havin fun

I really think I'm into her, yeah  
Really think she into me, yeah  
We be fucking like we enemies, yeah  
Don't know what she did to me, yeahh  
Really think I'm into her, yeah  
Really think she into me, yeahh  
We be fucking like we enemies, yeah  
Don't know what she did to me, yeahh
