It'll take a year to make what I made today, I gotta go up in a  
major way  
I gotta be sharp as a razer white Ferrari I call it Labor Day (Skkr)  
New Jersey call me a legend, court vision baby I made a play  
Fetty been counting that fetty I keep me a play, I just gotta say the grace  
30 looking like 20 still into running baby you aging great

Love when you walking past I look at that ass, look like it's gaining weight (Ooh)  
Looking back at me and smile, I want it now you know how I came to play  
Shit like Water Works fuck making it screw I'm making it rain today (Splash)  
I like factory diamonds, you do the shine but I'm going plain today (Boom)  
She acting shy and quiet, wait 'till she ride, girl you gon' sing today (Ooh)  
Phone been ringing for hours, no calling back, we doing some things today  
I roll me a blunt and smoke, pour me a four let's take the pain

It'll take a year to make what I made today, gotta go up in a major way  
Gotta be sharp as a razer white Ferrari I call it Labor Day (Skkr)  
New Jersey call me a legend, court vision baby I made a play  
Fetty been counting that fetty I keep me a play, I just gotta say the grace

Spend 200 on my Jesus piece, keep playing I say you where Jesus be  
Got 200 on this dashboard, nigga ain't no way you leaving me  
Give a nigga what you ask for, cook a nigga up like season beef  
I could cook a bird up easily, hell nah you can't eat with me  
Got a half a mill in a top dresser, you pay high got a lot less  
Scale high get the drop measure, close house it's a box schedule  
Please don't get your block level, bag right that box heavy  
Cook up my [?] heavy, forgies on my box heavy

It'll take a year to make what I made today, I gotta go up in a major way  
I gotta be sharp as a razer white Ferrari I call it Labor Day (Skkr)  
In New Jersey call me a legend, court vision baby I made a play

Fetty been counting that fetty I keep me a play, I just gotta say the grace (Wap)
