

Lost Friends

Fetty Wap

KimJ with the heat

(Aye, mhm)

I ain't playin at all, I can't let it slide, nigga
I'm still in the fell outside with my niggas
Bitch I'm [?], fuck the other side niggas
All that your man of pussy, you can die with 'em (Pussy)
I ain't playin wit this money run it up cause I was trappin' these
Other niggas actors, I know this for a fact
Hit me hard when I was down, damn thing I make the bag
Catch [?] me up, but I see I'm still trying (Zoovier!)
Niggas say they started this trim, they still lying
I'm waiting for them birds they landed, they still flying (Brrr)
My mans got [?] tho, got this for an [?]
We was banned, tho
Police [?] put your hands up

I rock too damn hard, bitch I need my respect
You don't want this rack baby (Mhm)
You gon' need a vest baby (Aye)
We don't [?] chest baby
Yeah, baby

They like: "Why you wanna feel stage your reasons?
People really need you, you gotta give them some to believe in"
I'm slidin' past the opp, top drop, make it easy
I'm all for the smoke, please believe me
You niggas try to leave me, this motherfuckers move with the season
Change [?] heart it was easy, believe me, you need me
More than I need you now, young nigga seeing through now
Yeah, baby (Yeah, baby)

More than I need you now, young nigga seeing through now
Yeaahhhh baby (Aye, mhm)
Believe me, you need me
More than I need you now, young nigga seeing through now
Yeah, baby (Zoovier!)

Most of these motherfuckers see through
Eyes don't lie, they deceive you (Uhm, aye, hm)
Said you been through pain? Nigga, me too
Ridin' for the gang is what we do (Gang, aye)
Tired of that motherfucking acting
Instagram lyers, all these fake trappers
All these broke niggas talk I'm ball how [?]
I don't cap nigga, I ain't got it, ima grab it
I'm a trap nigga with the [?] I'm a savage
Come through in the stole and let them have it, I'm promise, I'm blasted
Young niggas bleed too now, put the ball three too down
Yeah, baby (Aye, mhm)

Believe me, you need me
More than I need you now, young nigga seeing through now
Yeah
