Fetty Wap

Baby I got money in the bank, yeah

I'ma put a four up in my drink, let's slide
I got different types of foreign cars outside
Baby I got money in the bank, yeah
I could blow some money, what you think, yeah
I'ma put a four up in my drink, let's slide
I got different types of foreign cars outside

Shiny, the lil kids look at the paint job
Pull up in that shit and make your heart stop

I could blow some money, what you think, yeah
I'ma put a four up in my drink, let's slide
I got different types of foreign cars outside
