

## My Moment

Fetty Wap

(Evertime)

Yeah

(Nick vibing)

Yeah

Waiting on this moment 'til it finally came (Yeah)  
Running up them M's, people screaming my name (Yeah)  
If you had the same chance, you would've did it the same  
Grown-ass man ain't nobody to blame, yeah  
I took all my losses and I turned them to wins (Ooh)  
I took all my lessons and I turned them to gems (Yeah)  
Cared about me more and I lost all my friends (Yeah)  
I just kept it focused 'cause I'm destined to win (Yeah)  
Look at what I did, they just wanna be him, yeah  
Even if they act like they wanna be them, yeah  
'Member my first house, 'member my first Benz, yeah  
'Member my first plaque, 'member my first M, yeah  
In the motherland, throwing up my M's, yeah  
Me and the homie Ocho, we move solo, yeah  
Even ask my block, bitch, I move dolo  
Yeah, I gotta keep my Glock to make it home, you know  
Uh, we them niggas really with the bank, CeeLo, yeah  
Run down on these niggas on a bike, Deebo, mmm  
Homies out in North jacking shit, repo  
You ain't really with that shit you rapping 'bout, we know (Uh)  
I'm the one they rap 'bout, yeah  
Always in my hood, bitch, I'm using back routes, yeah  
Always on my block, say that nigga trapped out, yeah  
I got everything, nigga, I be sacked out, nigga, yeah  
We get busy on my block, boy, yeah  
Car too fast, we get busy on them cops, boy, yeah  
Guns too big, let's get busy with them opps, boy, yeah  
I'm that nigga, I get busy when it drop, boy, yeah  
Feel like I carry way too many  
Last couple years, I done buried way too many  
I can't see me speaking on emotions, that ain't in me  
Got a bird before a house, sixty P's got me a Bentley, yeah  
You feeling strong, that's my energy  
Weed always my cologne, that's my remedy, yeah  
Wipe your hands and your feet before you entering, yeah  
I'm the king, protect my castle from my enemies, yeah
