Fetty Wap

Always keep it real don't put your feelings first  
Playing with her emotions get your feeling hurt  
You love me but you don't how do your feeling work  
I want you baby just say I'm yours  
Always keep it real don't put your feelings first (always)  
Playing with her emotions get your feeling hurt (always)  
You love me but you don't how do your feeling work  
I want you baby just say I'm yours

I love your style and your smile, I swear you wear it so well yes you do (yes you do now baby, yeah)  
I swear you fly as hell baby, I love the things that you do (that you do now baby, yeah)  
You be shining baby, you the brightest thing in the room (you my star now baby, yeah)  
[?] you be putting me in a mood (in a mood now baby, yeah)
