

SO ICY Freestyle

Fetty Wap

Bitch, yeah
Bitch
Yeah baby
I'm icy, I'm icy, baby, yeah baby

All these girls excited, ooh you know they like me
I'm so icy, so icy
Girl don't try to fight it, all your friends invited
I'm so icy, so icy

And I know that she love that I'm icy
And I got bands and I know that you like me, yeah baby
Can't wait 'til they frame Mr. Perfect
Until then I'ma come through swervin'
You smokin' a zip, I stay off the shits
Is it the cars that I drive or the gang that I'm with?
A couple bands on the left, on the right's a clip
And I'm a smooth young nigga and I'm runnin' this shit
Look, I come through in the droptop Benz
So much money I could fuck your fan
My pockets stay heavy and my Glock stay ready
I keep a firearm, mothafucka I'm petty
Aye, me, Gritty and Mont
Gon' hate, pussy nigga, this is not what they want
Cause I'm Zoo Gang, I let the tool bang
I let her too, thangs, watch how we do things, 1738

All these girls excited, ooh you know they like me
I'm so icy, so icy
Girl don't try to fight it, all your friends invited
I'm so icy, so icy
