

# Superhuman

Fetty Wap

Mm

Yeah, yeah

Yeah

Yeah, yeah

Yeah, yeah, baby

Ayy

I'm takin' you out for the night, girl, energy right  
I swear you are my dream girl (My dream girl)  
If you could see me with you how I see you with me then  
We share the same dream, girl (Same dream, girl)  
Got your heartbeat racin', girl, just face it  
Ain't no one but me, girl (But me, girl)  
Give you a vibe, we've been down for a minute (Yeah)  
And believe your heart, baby, God as my witness (Yeah)  
I'm takin' you out for the night, girl, energy right  
I swear you are my dream girl (My dream girl)  
If you could see me with you how I see you with me then  
We share the same dream, girl (Same dream, girl)  
Got your heartbeat racin', girl, just face it  
Ain't no one but me, girl (But me, girl)  
Give you a vibe, we've been down for a minute (Yeah)  
And believe your heart, baby, God as my witness (Yeah, baby)

Ayy

Never leavin' you, I can't see me leavin' you, baby (Leavin' you, baby)  
And I made it through all the shit that we been through, baby (That we been  
through, baby)  
If I make a mess, best believe I clean it too, baby (Yeah)  
Gotta show respect, gotta keep it clean for you (Keep it clean for you)  
'Cause you know you a queen, let me get a Rollie for you, baby (Baby)  
You a boss chick, let 'em know you come from 280  
I done lost it, niggas say I'm goin' too crazy (Crazy)  
Two hundred on the dash when I'm goin' up eighty (Skrرت)  
Everybody watchin' me, I'm watchin' you, baby (I'm watchin' you, baby, mm, a  
yy)  
Pull up, you be fly as me, I'm fly as you, baby (I'm fly as you, baby)  
Don't nobody make me feel this way, that's what you do, baby (That's what yo  
u do, baby)  
I like how you move, baby (I like how you move)  
It's just me and you

I'm takin' you out for the night, girl, energy right  
I swear you are my dream girl (My dream girl)  
If you could see me with you how I see you with me then  
We share the same dream, girl (Same dream, girl)  
Got your heartbeat racin', girl, just face it  
Ain't no one but me, girl (But me, girl)  
Give you a vibe, we've been down for a minute (Yeah)  
And believe your heart, baby, God as my witness (Yeah)  
I'm takin' you out for the night, girl, energy right  
I swear you are my dream girl (My dream girl, baby)  
If you could see me with you how I see you with me then  
We share the same dream, girl (Same dream, girl)  
Got your heartbeat racin', girl, just face it  
Ain't no one but me, girl (But me, girl)  
Give you a vibe, we've been down for a minute (Yeah, yeah, baby)

And believe your heart, baby, God as my witness (Yeah, baby)

Tell 'em, "Catch me when I'm her", I feel like I'm in a dream  
Feelin' like I'm superhuman, Baby, I'll do anything  
Yeah, yeah, yeah  
Tell 'em, "Catch me when I'm her", I feel like I'm in a dream  
Feelin' like I'm superhuman, Baby, I'll do anything  
Yeah, yeah, yeah  
Hmm, yeah, Big Zoo
