

Sweet Yamz

Fetty Wap

Alright, Fetty, let me tell you somethin' about them yams
Look at y'all
I'm gonna bust this down for you
Ayy

Can I get to the yams?
Sweet yams
Show me the way
'Cause I got bills to pay
Can I get to the yams?
Sweet yams
Show me the way
'Cause I got bills to pay
Can I get to the yams?

Ooh, you dropped a bomb on my, baby
Saw you standing with them yams on you, baby
When we in for the night, girl, I cook up inside
Let you know when it's time for me to get to the yams
Sweet yams (Ooh-we)
Show me the way
'Cause I'm gon' eat today ('Cause I'm gon' eat today)
Can I get to the yams?
And for dessert, can I get to that cake?
Uncle Charlie don't make no mistakes
This is one special day, so pass me those yams and I'll share
Can I please?

Can I get to the yams?
Sweet yams (Yeah, baby)
Show me the way
'Cause I got bills to pay (Yeah, baby)
Can I get to the yams? (Yams)

I'm up early for them yams
By my lonely, need no friends
Keep it goin', never end, baby (Yeah, yeah)
Press to start it, stack again
Do that all the time (Time)
Ooh-ooh
The yams are all I know (I know but)
Or was it just a distraction?
I see myself in your eyes, baby
Can I get to the yams?
Ooh, I'm tryna get to them bands, oh
Money in my pocket, tryna fill up my pants, yeah
Something 'bout that feelin', I just don't understand
Ooh, I'ma tell 'em again, baby (Ayy)

Can I get to the yams?
Sweet yams (Yeah, baby)
Show me the way
'Cause I got bills to pay (Yeah, baby)

Early in the morning, right when I wake up
I love seeing your face with no makeup, girl
Well loving you wasn't far
I'm the player, right here I am
And mind my business, can't just mind my business
Your mashed potatoes and the gravy is the business
Ain't gon' be no leftovers later on, on
Sound like mac 'n cheese when I'm in it
Preheat the oven, it's getting too hot up in this kitchen
After midnight, you're the perfect snack, baby

Can I get to the yams?
Sweet yams (Yeah, baby)
Show me the way
'Cause I got bills to pay (Yeah, baby)
Can I get to the yams? (Yams)

Show me the way (Way, yeah)
'Cause I got bills to pay (Yeah, baby)
Can I get to the yams? (Yeah, baby)
