Zoovier, 1738

I wake up in the morning, all I think is flip
Count a couple hundreds, flip a couple bricks
Time to hit the plug now, need another flip
Counting all this money, got me filthy rich
Wake up in the morning, all I think is flip
Count a couple hundreds, flip a couple bricks
Time to hit the plug now, need another flip
Counting all this money, got me filthy rich

Baby that's my trap luv
Baby that's the trap luv
And all my niggas trap drugs
Zoo Gang we some trap lords

I wake up in the morning, all I think is flip
Count a couple hundreds, flip a couple bricks
Time to hit the plug now, need another flip
Counting all this money, got me feeling rich
