

BLOCK IS ON FIRE

FEVER 333

Block is on fire!
B-b-block is on fire!
Block is on fi-
B-b-b-block is on fire!
Block is, block is on fi-
B-b-b-block is on fire!
Block is on fi-
B-b-b-block is on fire!
Block is on fi-
B-b-b-block is on fire!

The block is on fire
Y'all some fuckin liars
Cop cars, brick piles
Who's the supplier
Since we on the subject
Let's talk about the suspects
Sworn in they serve us
Then forgot to protect

Click clack
Crowd disperses
People getting nervous
This that underbelly
Rising to the surface
LA is burning
LA is burning
LA is burning
LA is burning

Block is on fi-
B-b-b-block is on fire!
Block is, block is on fi-
B-b-b-block is on fire!
Block is on fi-
B-b-b-block is on fire!
Block is on fi-
B-b-b-block is on fire!

Now we under fire
The scent of burning tires
Chief of police in the A just retired
The news says it's over
But I still see soldiers
And realize that this shit just part of our culture

Officer, I should have the right to an attorney
If I can't afford one, you provide it for me
Tables are turning
Tables are turning
The tables are turning
The tables are turning

Block is on fi-
B-b-b-block is on fire!
Block is, block is on fi-
B-b-b-block is on fire!

Block is on fi-
B-b-b-block is on fire!
Block is on fi-
B-b-b-block is on fire!

Block is on fi-
Block, block
Block is on fire!
Block is, block is
Block is on fire!
Block is on, block, block
Block is on, b-b-block is on fire!
