

# IN THE END

FEVER 333

(It starts with one) One thing, I don't know why  
It doesn't even matter how hard you try  
Keep that in mind, I designed this rhyme  
To explain in due time all I know  
Time is a valuable thing  
Watch it fly by as the pendulum swings  
Watch it count down to the end of the day  
The clock ticks life away, it's so unreal (It's so unreal)  
Didn't look out below  
Watch the time go right out the window  
Tryin' to hold on, didn't even know  
I wasted it all just to watch you go  
I kept everything inside  
And even though I tried, it all fell apart  
What it meant to me will eventually be  
A memory of a time when I tried so hard

I tried so hard and got so far  
But in the end it doesn't even matter  
I had to fall to lose it all  
But in the end it doesn't even matter

One thing, I don't know why  
It doesn't even matter how hard you try  
Keep that in mind, I designed this rhyme  
To remind myself how I tried so hard  
In spite of the way you were mockin' me  
Actin' like I was part of your property  
Rememberin' all the times you fought with me  
I'm surprised it got so far  
Things aren't the way they were before  
You wouldn't even recognize me anymore  
Not that you knew me back then  
But it all comes back to me in the end  
You kept everything inside  
And even though I tried, it all fell apart  
What it meant to me will eventually be  
A memory of a time when I tried so hard

I tried so hard and got so far  
But in the end it doesn't even matter  
I had to fall to lose it all  
But in the end it doesn't even matter

I've put my trust in you  
Pushed as far as I can go  
For all this  
There's only one thing you should know  
I've put my trust in you  
Pushed as far as I can go  
For all this  
There's only one thing you should know

I tried so hard and got so far  
But in the end it doesn't even matter  
I had to fall to lose it all  
But in the end it doesn't even matter
