

# WALK THROUGH THE FIRE

FEVER 333

We're gonna die together  
We're gonna walk through the fire together  
We're gonna die together  
We're gonna walk through the fire together

We're gonna die together  
We're gonna walk through the fire together  
We're gonna die together  
We're gonna walk through the fire together

We're gonna die together  
We're gonna walk through the fire together  
We're gonna die together  
We're gonna walk through the fire together

I seen the footage, rubber bullets and lootin'  
We mighta took a few thangs, but y'all the ones that be shootin'  
See, we just want what you got, some trickle-down from the top  
And we gon get it today whether you like it or not

And he look like me  
So he can't be free  
And he look like me  
So he can't be free

We're gonna die together  
We're gonna walk through the fire together  
We're gonna die together  
We're gonna walk through the fire together

Please understand the best you can  
They want us dead so we can't be free  
So we can't be free!  
Please understand another man  
Is lying dead and he look like me  
And he look like me!

We can't make it at all 'cause you break us down  
Keep on making them laws just to break us down  
Still the people stand tall, don't trust 'em at all  
The reason they fall 'cause we take 'em down

We're gonna die together  
We're gonna walk through the fire together  
We're gonna die together  
We're gonna walk through the fire together

I said, I said  
You can have it  
You can have what I got  
'Cause we're still the have-nots

Save a, save a place for me  
Save a, save a place for me  
Save a, save a place for me  
Save a, save a place

We're gonna die together  
We're gonna walk through the fire together  
We're gonna die together  
We're gonna walk through the fire together
