

All right
I can't keep asking y'all
For the real story bout what happened y'all
When you was building off the backs of all
Them bodies that you broke while making capital
Actual
Contractual
Killing of spirit
Home of the brave makin' sure y'all fear it
The pressure's on and we know who's gonna feel it
The opportunity zone's growin' but we like

La la la la la la la la la
Swing batter batter swing batter batter swing
Claiming what once was is what we are
Sing muthafucka sing muthafucka sing
Of everything I never want to be
A player in your game is number one to me, so
La la la la la la la la
Swing batter batter swing batter batter swing

Ondale ondale
Try to maintain the pace
Let me jog your memory
Remember that they run the game
Underplay underplay
Another brotha paid
Undercut the profit off top
Oh you so cliché
Motives on display
Clear as LCD
Do yo dirt off camera after they stop the tape
Remember be kind rewind and dine
Us up until the right time where you try and fine us
When will be the right time to put the lies behind us?
When will it be the right time?

La la la la la la la la la
Swing batter batter swing batter batter swing
Claiming what once was is what we are
Sing muthafucka sing muthafucka sing
Of everything I never want to be
A player in your game is number one to me, so
La la la la la la la la
Swing batter batter swing batter batter swing

The reality is...
Shit

Wild the fuck out
Bitch I ain't playin' with you
Yea yea
