WRONG GENERATION

FEVER 333

My Uzi weigh a ton son, carry it
My Uzi weigh a ton son, carry it
My Uzi weigh a ton son, carry it
Ton son, carry it, ton son, carry it

Yo, my Uzi weigh a ton son, carry it

Watch-watch me body rhymes just to bury 'em
They-they pose some threat but we scarier
What you call privilege, we call 'em barriers
My Uzi weigh a ton son, carry it

You fucked with the wrong generation
(Yeah you did)
You fucked with the wrong generation
(You know you did)
You fucked with the wrong generation
Yeah! You fucked with the wrong generation

My Uzi weigh a ton, son, carry it
My Uzi weigh a ton, son, carry it
My Uzi weigh a ton, son, carry it
Ton, son, carry it, ton, son, carry it

My Uzi weigh a ton, son, carry it (Go on and carry it)
My Uzi weigh a ton, son, carry it (You can't carry it)
My Uzi weigh a ton, son, carry it
Ton, son, carry it, ton, son, carry it

Driving through traffic (OK)
Carrying caskets (What?)
I been pushing a black hearse through riots and racket
Got a chip on our shoulder (Why?)
You can't understand it (What?)
To see on the news another one of us hangin'

You fucked with the wrong generation
(It's what I told you)
You fucked with the wrong generation
(It's what I told you)
You fucked with the wrong generation
Yeah! You fucked with the wrong generation

My Uzi weigh a ton, son, carry it (Go on and carry it)
My Uzi weigh a ton, son, carry it (You can't carry it)
My Uzi weigh a ton, son, carry it (That's why you, that's why you)
Ton, son, carry it, ton, son, carry it (That's why you buckled, the pressure
)

My Uzi weigh a ton, son, carry it (Go on and carry it)
My Uzi weigh a ton, son, carry it (You can't carry it)
My Uzi weigh a ton, son, carry it (That's why you buckled)
Ton, son, carry it, ton, son, carry it (You buckled, you buckled, the pressu
re)

Listen up!

You fucked with the wrong generation
You fucked with the wrong generation
You fucked with the wrong generation
All you fucked with the wrong generation

You fucked with the wrong generation
You fucked with the wrong generation
You fucked with the wrong generation
Now you fucked with the wrong one

You fucked with the wrong generation
You fucked with the wrong generation
You fucked with the wrong generation
You fucked with the wrong one

Fuck!
