

Let Me Show You

Fey

Lonely little love bird
I've been waiting for you
Here I come to catch you
Let me shine my light on you

I've seen you're so confused
So blinded by the dark
Come take my hand now
Let me be your guiding star

'Cause I come from many places
Seen so many things
I know what you have been through
'Cause I've been through it too

Let me show you
That I'm right for you
Let me show you
That I'm right for you

Everything you've wanted
Lies deep within me
I'm really sweet inside
I'll unlock you with my key

You play on the wild side
I want to lead the way
You have always wanted
Someone to love the right way

Let me show you
That I'm right for you
Let me show you
That I'm right for you

'Cause I come from many places
Seen so many things
I know what you have been through
'Cause I've been through it too

Let me show you
That I'm right for you
Let me show you
That I'm right for you
