## **Fly Away**

Okay you win, you caught me day dreaming again About our sudden evacuation Okay I give in, I can't help but wondering But it seems I can't get enough information

Curiosity has got a hold of me Tell me how it's gonna be-when One day I'll see you coming back for me And all together we'll fly away yeah One day I'll hear that trumpet loud and clear And all together we'll fly away Oh how I long for the day When we'll fly away

Don't ask me why I keep starin' at the sky It's just I'm lost in anticipation I know it will be in the twinkling of an eye It's just I get lost in my imagination

Curiosity has got a hold of me Tell me how it's gonna be-when One day I'll see you coming back for me And all together we'll fly away yeah One day I'll hear that trumpet loud and clear And all together we'll fly away Oh how I long for the day When we'll fly away

Yeah, yeah, we'll fly away

Curiosity has got a hold of me Tell me how it's gonna be-when One day I'll see you coming back for me And all together we'll fly away yeah One day I'll hear that trumpet loud and clear And all together we'll fly away Oh how I long for the day When we'll fly away (3x)

Yeah, yeah, we'll fly away Yeah, yeah, we'll fly away Yeah, yeah, we'll fly away
