

So Is His Love

FFH

Can you see the sun rise over the hill
Rising warm, free and bright
Feel the grass beneath your feet
Soft, smooth and green

So is His love
So is His grace
So is the Lord
Come trust His name
See your life renewed
He's the way of today,
yesterday and to come
So I will sing of Your praise
All of my days

Walk in Your hope
Stand in Your hope

Can you feel the rain fall on your face
Washing all the dirt away
Bring your feet down, splash around
This is our life in Him

So is His love
So is His grace
So is the Lord
Come trust His name
See your life renewed
He's the way of today,
yesterday and to come
So I will sing of Your praise
All of my days

Do you feel His love fall all over you
Warming you as the sun
Do you feel the light shine on your face
Making the shadows run far, far away.
