

Do You

F.HERO

You can let the top back (back) Feel the wind blow (blow)
I can feel your energy, girl, I like your tempo
Do you wanna slide with me? (Slide with me, slide with me)
Vibe with me? (Vibe with me, vibe with me)
You ain't gotta tell me I already know the answer, baby
You can let the top back (back) Feel the wind blow (blow)
I can feel your energy, girl, I like your tempo
Do you wanna slide with me? (Slide with me, slide with me)
Vibe with me? (Vibe with me, vibe with me)
You ain't gotta tell me I already know the answer, baby

Shorty I could take you there

Sleeping in Bangkok and wake up in Tokyo

And you could leave your underwear at my place
