

Alone

Fickle Friends

(Alone)

(Alone)

I'm a loser at a loose end
I don't feel like doing nothing
Got a free place for the weekend
I don't wanna be alone

Got a speaker and it's booming
Are ya free then, whatya doing
Come on over, come whenever
I don't wanna be alone

Everybody, everyone
Everybody gonna slam their body down in the basement
Everybody, everyone
Ain't nobody going home
'Cause I don't wanna be alone
'Cause I don't wanna be alone

In the party with my boyfriend
And my girlfriend and my best friend
In my parents double bedroom
And they're never gonna know
We been smoking in the kitchen
It's a bad choice but who cares when
It's the first time in a long time
That I haven't been alone

Everybody, everyone
Everybody gonna slam their body down in the basement
Everybody, everyone
Ain't nobody going home
'Cause I don't wanna be alone
'Cause I don't wanna be alone
'Cause I don't wanna be alone
'Cause I don't wanna be alone

It's a wild night
Just a good time
With my friends at home
I don't have to feel alone

It's a wild night (night, night)
Just a good time (time, time)
With my friends at home
I don't have to feel alone
Keep my friends at home
'Cause I

'Cause I don't wanna be alone
'Cause I don't wanna be alone
'Cause I don't wanna be alone (Everybody, everyone)
(Everybody gonna slam their body down in the basement)
'Cause I don't wanna be alone (Everybody, everyone)
(Ain't nobody going home)
'Cause I don't wanna be alone
