

Happier

Fickle Friends

So I'm staying in this house right
The beds on the mezzanine
In a dead part of town
And I've been going out
And mixing my drinks
Wanna quiet the anxiety
But I'm just a result of my beliefs
Look at my career it's D.O.A
Hungover and broke
And I'll binge another show sitting at home and

Everyday I'm tryna fill the void
But I'm missing the point
'Cause maybe being happy is a choice

And I couldn't be happier than I am right now
Than I am right now
Than I am right now
And I couldn't be happier than I am right now
I'm getting a grip, getting on, getting happier
I'm getting a grip, getting on, getting happier

Go go baby, ride, ride the wave
'Cause if I stand still I'm not moving forward
And a real bad day in rose tinted
Could be the best damn day that I've ever had

And I am not defined by what I do
Or what I can't afford
'Cause I don't care if I'm not keeping score

And suddenly I rise above the noise
I was missing the point
'Cause I know being happy is a choice

And I couldn't be happier than I am right now
Than I am right now
Than I am right now
And I couldn't be happier than I am right now
I'm getting a grip, getting on, getting on with it
And I couldn't be happier than I am right now
Than I am right now
Than I am right now
And I couldn't be happier than I am right now
I'm getting a grip, getting on, getting happier yeah, yeah

I couldn't be happier than I am right now
I couldn't be happier than I am right now
I couldn't be happier than I am right now
Than I am right now
Than I am right now
I couldn't be happier than I am right now
