

I just need a little reassurance (Today)  
Would you love me if I was a worm (Okay)  
It's irrational behavior from a grown-ass woman  
And I know it's crazy

I'm begging you just humor me, 'cause I'm convinced  
You're gonna leave

(Oh, please don't go)  
I know I'm crazy and occasionally irrational  
(Oh, please don't go)  
I'm gonna fill you up with love until you overflow  
With emotion, I'll be your ride or die  
I'll be your somebody wholesome  
Keep you warm through the night, oh  
Joe, please don't go

I'm just hoping for your perseverance, okay  
My head is in a state of absolute chaos, today  
And I know I'm blowing hot and cold and I'm melting in the middle, oh  
But I'll cool down

And you might think that I'm a bit of a lunatic  
But at least it keeps it interesting

(Oh, please don't go)  
I know I'm crazy and occasionally irrational  
(Oh, please don't go)  
I'm gonna fill you up with love until you overflow  
With emotion, I'll be your ride or die  
I'll be your somebody wholesome  
Keep you warm through the night, oh  
Joe, please don't go

Yeah  
Well, here's my pitch  
I got a bag of childhood trauma, it's a bitch  
But here's the thing, I got a lotta love to give  
Wanna get a house, a dog and maybe a couple of kids  
Wanna make it through this seven year itch

I just need a little reassurance (Today)  
Oh, would you love me and never let me go (Okay)  
And will you, will you, will you, will you, oh Joe

(Oh, please don't go)  
I know I'm crazy and occasionally irrational  
(Oh, please don't go)  
I'm gonna fill you up with love until you overflow  
With emotion, I'll be your ride or die  
I'll be your somebody wholesome  
Keep you warm through the night, oh  
Joe, please don't go
