# Play

**Fickle Friends**

He is better
I know I've told you before
That I'm not making my love some things

We're not the same
She's seen your fame
I won't compete under this name
I know you've told me before
That I'm not ever alone in this

Babe you don't play it like you used to
Only when it gets hard
Babe you don't play it like you used to

They won't ever do what you're asking 'em to
Before you've not had the last of you

We're not the same
She's seen your fate
I won't compete under this name
I know you've told me before
That I'm not ever alone in this

Babe you don't play it like you used to
Only when it gets hard
Babe you don't play it like you used to
Babe you don't know it like you used to
Then you won't take it too far
Babe you don't play it like you used to

Babe you don't play it like you used to
Only when it gets hard
Babe you don't play it like you used to
Babe you don't know me like you used to
Then you won't take it too far
Babe you don't play it like you used to

We're not the same
She's seen your fame
I won't compete under this name
I know you've told me before
That you're not ever alone in this
