

Eternal You

Fiddlehead

In high school we were losing
Except in autumn, At the Drive In rides
Now winning in my adulthood
With memories and October light

(Time's when) I'm sinking
(Time's when) I believe in
(Time's I) can turn to you
(Time's when) I'm sinking
(Time's when) I'm thinking
(Time's when) of our eternal youth

We can't stop the changing nor the aging
And raging tides of life

(Time's when) I'm sinking
(Time's when) I believe in
(Time's I) can turn to you
(Time's when) I'm sinking
(Time's when) I'm thinking
(Time's when) of our eternal youth
