

Give It Time (II)

Fiddlehead

Twenty-one days, and I'll be good
Twelve steps again, let's give it time
Just a few more years, and we're outta the woods
Twenty-one days, a few more years, another twelve steps, and I'
ll be fine

And I'll be fine
I'll be fine, I'll be fine, I'll be fine
I'll be fine, I'll be fine, I'll be fine, I'll be fine
I'll be-

Twenty-one days
Just a few more years
Another twelve steps
