

Stand in wind  
U.S.M.A  
Above a grave  
With your name

I stay, and I shake  
I age, and I wait  
For the hands I used to call  
My home, my home, my home

Lean on trees just like a shoulder  
See you in young West Point soldiers  
(Yeah I'll wait right)  
Wait right here as I get older  
(Wait right here as I get older)  
The weight's right here all on my shoulders  
(The weight's right here all on my shoulders)

The weight of love:  
Forever gone  
Like the chest  
I leaned on  
(Leaned on...)  
(And on and on and on and on...)  
(I leaned on...)

On your shoulders  
Wait right here as I get older  
Cause the weight's right  
Weight's right here all on my shoulders  
(Weight's right here all on my shoulders)  
Weight's right here all on my shoulders
