

# Heyday

Fiddler's Green

Funny, how I always end up  
On the wrong side of the law  
Doin' time 'cause I'm slow on the draw  
Funny, when I got outta jail I found out  
My girl has run away  
And I'm left with nowhere to stay

That's not gonna stop me  
From lookin' straight ahead  
The past ain't gonna drag me down  
I ain't finished yet  
Because I'm heading for my heyday  
I'm lookin' straight ahead  
The past ain't gonna drag me down  
I ain't finished yet

Funny, how the rich seem to win  
Every time they spin the wheel  
And the rest have to borrow and steal  
Funny, how the dumb get to rule the whole world  
Where the facts are always "fake"  
And the truth's gonna burn at the stake

That's not gonna stop us  
From lookin' straight ahead  
The past ain't gonna drag us down

We ain't finished yet  
Because we're heading for our heyday  
We're lookin' straight ahead  
The past ain't gonna drag us down  
We ain't finished yet

We're coming home  
We're coming home  
We're coming home  
We're heading for our heyday  
We're coming home  
We're heading for our heyday  
We're coming home  
We're heading  
We're heading  
We're heading for our heyday  
We're coming home  
We're heading  
We're heading  
We're heading for that day

That's not gonna stop us  
From lookin' straight ahead  
The past ain't gonna drag us down  
We ain't finished yet  
Because we're heading for our heyday  
We're lookin' straight ahead  
The past ain't gonna drag us down  
We ain't finished yet
