

Friends and strangers and girls from Galway
Fiddlers in the Irish style
Meet, play darts and dance to ceillidh
Come and join us for a while

Pubs called "Rourke's" and "Dicey Riley's"
"Squealing Pig" and "Molly's Bar"
"Dunphy's" and the "Bull And Castle"
Welcome folks, from near and far

Sláinte! Have a pint of "Foam And Fury"
Sláinte! Have a pint of "Maggie's Leap"
Sláinte! Try some chocolate-flavoured stout
"Buried At Sea" - tonight's not meant for sleep

You and I could drink some potcheen
Getting tipsy, lost in space
I will hold you until the morning
Creatures in a smoky haze

The barman washes the empty glasses
Our cue to say good-bye
But we'll be soon back again

Too good to just pass by

A place for me and a place for you
Let's drink another glass or two
Of "Belfast Blonde" or "Headless Dog"
"Galway Hooker" or "Irish Bog"
