FIDLAR

Hello  
Goodbye  
Are you high?

Hello  
Goodbye  
Are you high?

Well I should open up but I don't really wanna  
And we should probably talk but I don't think we're gonna  
Well you can read my mind and tell me if you see the sign  
That someday I'll be okay just go away I'll be just fine

Hello

And all my homies wanna know what I've been doing  
I think they liked me better back when I was using  
But every time I'm high I freak out and I want to die  
And it's my life to throw away

Yeah it's my life to throw away
