

Flake

FIDLAR

Hey man what are you doin tonight?
How 'bout me and you go for a ride?

(Ahhhhhhh) Said you'd be late
(Ahhhhhhh) You're barely awake
(Ahhhhhhh) Its all I can take!
(Ahhhhhhh)

You're a flake
And I need a, need a break
You're a flake
I don't wanna see you around this place
You're a flake
And I need a, need a break
You're a flake
I'm better off alone anyway

Man just how much shit are you gonna talk?
I know you spent all night in a bathroom stall
I think you're a fake (Flake!)
That's ok this is LA
But we're not gonna make it after all

(Ahhhhhhh) Said you'd be late
(Ahhhhhhh) You're barely awake
(Ahhhhhhh) Gimmie a break!
(Ahhhhhhh)

You're a flake
And I need a, need a break
You're a flake
I don't wanna see you around this place
You're a flake
And I need a, need a break
You're a flake
I'm better off alone anyway
