

Took your career and you put it up your nose
Saw you down at Monty you were lookin' low
Threw back a fifth of Jack oh man I know it's bad
I was lookin' for a friend you were lookin' for the doorman

Kick
You're sick
Kick
You're sick

I really wanna do some drugs, I think I'm suicidal
I really wanna fuck someone, go full on fuckin' primal
Tell me what I wanna hear and we both know I don't wanna be her
e
Cause I don't care about your shitty friends, can I get an Amen
?

Took your career and you put it up your nose
Took your career and you put it up your

Took your career and you put it up your nose
Saw you down at Monty you were lookin' low
Threw back a fifth of Jack oh man I know it's bad
I was lookin' for a friend you were lookin' for the door man

Kick
I really wanna do some drugs, I think that I'm entitled
You're sick
I really wanna fuck someone, go full on fuckin' tribal
Kick
Wake up when it's all over I don't need your fuckin' closure
You're sick
If money can't buy me love, maybe it could buy me drugs
